

**North Texas Chapter
Texas Association of Sports Officials
Board of Directors Policy**

Sportsmanship Awards

The North Texas Chapter of the Texas Association of Sport Officials will present two (2) Sportsmanship Awards at the end of each football season.

The first award will be presented to the selected high school in classes 6A to 3A. The second award will be presented to the selected high school in Classes 2A and 1A category.

The following criteria in varsity and sub-varsity will be used in selecting the winning high schools:

- Effectiveness of the school administrator and others subject to UIL rules.
- Sportsmanship of coaches, players, fans (before, during and after the contest!)
- Availability and condition of dressing facilities
- Availability of refreshments

At a chapter meeting scheduled by the Chapter Board, all members of the Chapter will have the opportunity to nominate schools in each category. A majority vote of the votes cast will determine the winners. An award is not required to be presented in either category if Chapter members do not believe there is an acceptable candidate.

This policy was adopted and approved by the Board of Directors on April 18, 2022
